#### #LikeYou & JR

EU40 arranged for a large participatory photo-shoot in public in June, in order to contribute to the «Inside Out Project» created by the world famous photographer and artist JR.

«MEPs #LikeYou» aims at creating a virtual meeting between Members of the European Parliament and citizens. Portraits will be displayed in order to reduce the imagined gap between politicians and citizens.

#### About Eu40

EU40 is the network of young Members of the European Parliament. EU40's mission is to serve young Members under the age of 40 and strengthen their role inside the European Parliament by connecting them to each other and with young politicians across Europe, while offering them opportunities for publicity and political interaction. EU40 thereby serves as an interlocutor, creating synergies between all connected to the network.
